

Wall Work Directions

- **Place Command small hooks at eye level around the room. Hooks can be attached to craft magnets to place on white boards where needed.**
- **Prepare cards. Answer cards must be hole punched to hook onto wall.**
- **Use different colors for questions and answers; either card color or ink color.**
- **Place answers on wall.**
- **Set behavior expectations.**
- **Distribute questions.**
- **Have everyone remain seated for “think time”.**
- **Call one group at a time to move to their answers.**
- **Move around the room and give tickets or other positives for correct matches and collect cards.**
- **Incorrect matches try again, perhaps with a partner.**

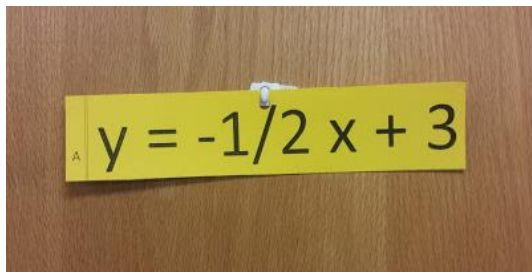

Command Small Hooks

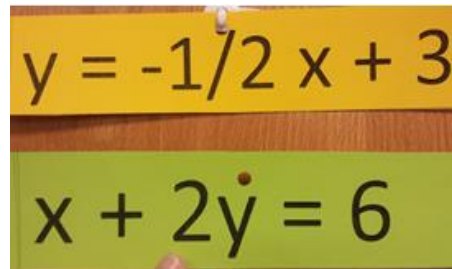

Craft Magnets for White Boards

Hook Attached to Magnet

Hang answer cards on hooks.

Students move to match problems to answers on wall.
